**ADVANCE YOUR
CAREER BY
OBTAINING A
CERTIFICATE
OF ADDITIONAL
QUALIFICATION AS
A CCSP**

The American Chiropractic Board of Sports Physicians (ACBSP™) provides greater distance-based hours to qualify candidates to challenge the ACBSP sports chiropractic certification examinations. This CCSP® course is offered to you through a partnership between DConline and University of Western States.

Most of the CCSP® hours can be done online with the addition of one intense live weekend of face-to-face instruction for the emergency procedures hands on training course. This format enables you to learn at your own pace and save travel related expense.

The new CCSP® Program is a hybrid model consisting of assigned reading, narrated PowerPoint presentations, AND recorded lectures. The course is led by Dr. Bill Moreau, the only Doctor of Chiropractic to have been a National Organizing Committees Chief Medical Officer at an Olympic Games. Several of our top-rated instructors will also be conducting 2-4-hour real time classes utilizing Zoom. Details on the live Emergency Procedures class will be announced after the program begins. You will have a little over one year from the start of the course this February to complete the course materials.

DConline classes are in no way associated with the ACBSP® in any shape or form. The success of your written project by the ACBSP® will depend on many considerations including but not limited to past learning experiences, preparation, and other immeasurable factors. The course is offered to you as a way to prepare for the written requirement with no guarantee of your individual outcome on the submission you provide. DConline is not affiliated with the American Chiropractic Board of Sports Physicians®, Inc. ACBSP®, CCSP® and DACBSP® are protected marks owned and maintained by the ACBSP®.

►► **REGISTER**

Register by calling (712) 260-2507 or by completing the attached registration form. Interest free payment plans are available. First payments are processed when the program kicks-off.
